SPRING 2020

IN THE KNOW...

Dear Parents and Guardians,

It's hard to believe that the end of another school year is fast approaching and Spring is right around the corner. With school being shut down due to the COVID-19, we encourage our families to take extra care during this crucial time.

Please wash your hands frequently and inform the students of the risk of touching their mouth, nose and eyes. Avoid handshakes and close contact with sick people.

## PARENTS CORNER DID YOU KNOW...?

- ✓ The Schenectady City School District has partnered with our bus vendors to fight the spread of viruses. Vendor staff has been directed to use a Protexus sprayer in conjunction with a Purtab solution to protect against illnesses. This process has been outlined for different types of disinfectant situations.
- ✓ The Transportation team is assisting the distribution of Chromebooks and other technical supplies to students to continue their learning at home. We encourage all students to take this time to connect with their classrooms online.
- ✓ SCSD is providing breakfast and lunches for all our students! Transportation has been set up for specific drop-off locations to assist with meal delivery. Please check our website for delivery routes and drop off locations. Please ensure your student has their ID number at time of pick up.
- ✓ When school is in session, transportation will be given to eligible students for the 21<sup>st</sup> Century program. This program is offered to students that attend SHS, SCLA, MPMS, CPMS, Oneida and Keane schools. You can get an application from the main office at any of the above schools.
- ✓ As a reminder, when visiting any of our school buildings, please ensure you have the proper form of ID, as they will be scanned upon entry and a picture placed on a visitor badge.

**Announcing our SCSD Transportation Phone Directory!**

At the beginning of the school year, the Transportation department set up a phone directory on our main line. Please listen to all the options listed to assist you in making the correct selection. The phone system allows parents or guardians to directly transfer to their student’s bus company for questions regarding pick up, lost items and other vendor-related questions. There are also options for speaking with a transportation representative as well as an option for closures and delays. Our number is (518)370-8103, please feel free to follow us on twitter to keep up to date on transportation news and other updates - [@SCSD\\_Transport](#)
